

Hill View Montessori Charter Public School
Press Release to Announce a Scheduled Coordinated Program Review with the
Massachusetts Department of Elementary and Secondary Educaiton

Date: September 16, 2011

Ruthann Goguen of the Hill View Montessori Charter Public School was informed by the Department of Elementary and Secondary Education of an upcoming Coordinated Program Review that will be taking place this school year. As part of this Coordinated Program Review, Department staff will visit Hill View Montessori Charter Public School during the week of October 24, 2011. Such visits are routinely conducted by the Department to satisfy federal and state requirements for the periodic review of specific education programs and services in schools throughout the Commonwealth. The Department is reviewing several programs during a single visit in order to use Department and school staff's time most efficiently and to encourage strong connections among the programs.

The Department's Coordinated Program Review will address the following programs: English Language Learners, Special Education and Civil Rights. After reviewing Hill View Montessori Charter Public School's procedures for these programs, a Department team will make its onsite visit, during which it will review individual student records, interview administrators, teachers and paraprofessional staff, survey parents and observe instructional spaces. After the onsite visit it will prepare a report for Ruthann Goguen and the Hill View Montessori Charter School Board of Trustees, with detailed findings for each program.

Using a scale of ratings ranging from "Commendable" to "Not Implemented," the report will rate the implementation of each requirement reviewed by the Department. Where requirements are found not implemented or only partially implemented, Hill View Montessori Charter Public School must propose to the Department corrective action to bring those areas into compliance with statutes and regulations. Districts and schools are encouraged to incorporate the corrective action into their district and school improvement plans and professional development plan. Hill View Montessori Charter Public School will be provided with technical assistance from the Department in developing a corrective action plan. Both the Department's report and the corrective action plan are public information and will be available to the public upon request. Program Review Final Reports are also available on the Department's Internet website at <http://www.doe.mass.edu/pqa/review/cpr/reports/>.

Any member of the public may request to be interviewed by telephone by a member of the Department's visiting team. Those wishing to be interviewed should call Hill View Montessori Charter Public School at 978.521.2616 no later than 4:00 pm October 19, 2011 to leave their name and phone number, or they may call the Department of Elementary and Secondary Education at (781) 338-3723. A member of the visiting team will contact each person desiring an interview within two weeks after the completion of the onsite visit. If an individual is not comfortable communicating in English or requires some other accommodation, the Department will make arrangements to communicate appropriately with the individual.
